STATISTICAL OVERVIEW OF THE FUNDING DECISIONS

taken by the Steering Committee on 29.1.2016
on the **second call** for applications 24.8.–23.10.2015

Central Baltic Programme 2014-2020

The presented statistics cover 148 submitted applications, out of which 110 were *regular project* 1st step applications and 38 *small project* applications.

The now approved *regular projects* continue to the 2nd step application phase including e.g. the planning of the project budget. The 2nd step applications will be assessed and the final decision on the financed projects will follow in June 2016.

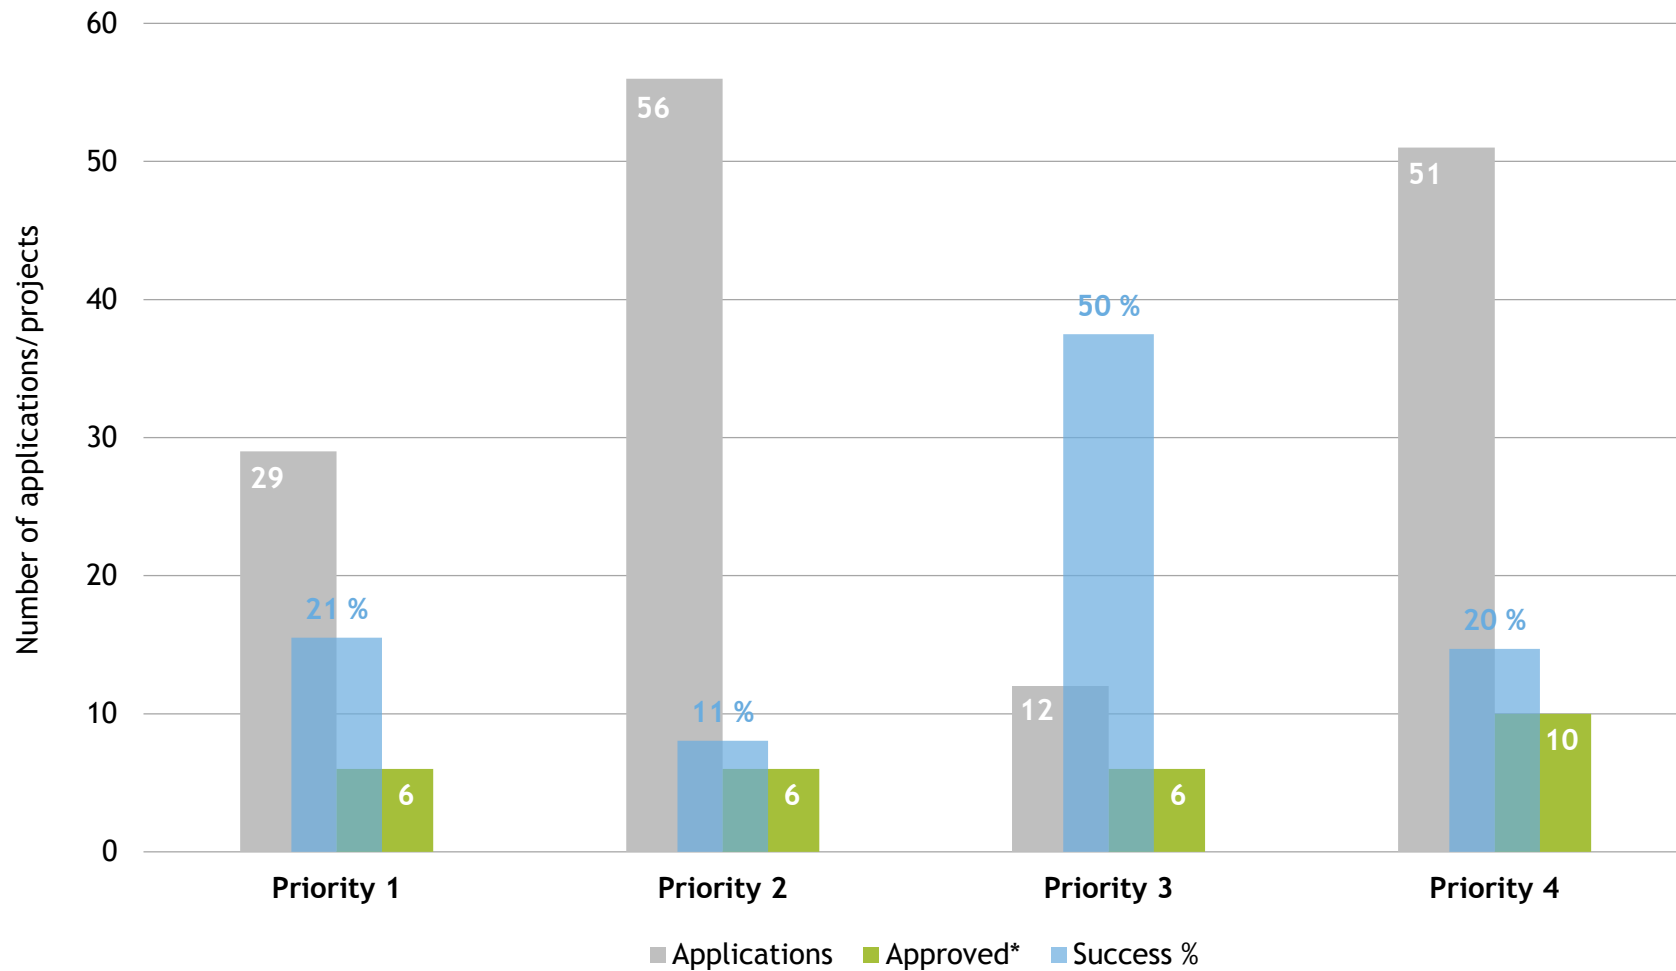

The approved *small projects* will start their implementation according to the project plan once they have fulfilled the conditions set to them and after signing the subsidy contract with the programme.
